Dear Parishioners, Guests and Friends of Our Lady of Grace School,

Welcome to the OLG's 2008 Grace Gala!

This is our sixth annual springtime event, conducted by the OLG Parent-Teacher Organization, for the benefit of Our Lady of Grace Catholic School.

Over the past five years, the participants at this event have raised hundreds of thousands of dollars for our parish school. These funds have helped to provide technology, programs, and other resources to make Our Lady of Grace an excellent school not only in the essential area of faith formation but academically as well.

I'm most grateful that this event has made it possible for those who wish to enroll their child(ren) in our school who would not otherwise be able to do so. During the current (2007-08) year, 49 families received much-needed Tuition Assistance funds, totaling over \$120,000. Much of this amount was raised by the PTO through last year's Grace Gala. We can anticipate that the need for Tuition

Assistance will continue to grow along with our enrollment and with our efforts to make OLGS accessible to more families.

Financially, Tuition Assistance benefits not only its direct recipients but all OLGS families, as it helps keep enrollment numbers up. And although finances are obviously important, the "intangible" benefits are even greater. Tuition Assistance makes it possible for us to better fulfill our mission as a Catholic school. Now more than ever, Tuition Assistance is an essential need for our school.

Thanks be to God for this wonderful school, its students and families. Heartfelt gratitude goes to Shannon Rogers and her committee chairs and volunteers, who have worked so hard to make the 2008 Grace Gala a reality. As always, a debt of thankfulness is owed to Miss Maureen Clerkin, Principal, and Mrs. Angela Bostrom, Assistant Principal, for their fine leadership, and to our excellent faculty and dedicated staff for their hard work "above and beyond the call of duty."

And thanks to all of you who have come this evening to support and celebrate Our Lady of Grace School. Let us hold one another in prayer!

Christ the Risen Lord,

In

April 19, 2008

Dear Parents, Friends, Patrons, and Teachers,

Welcome to our 2008 Grace Gala! This evening is one of the highlights of our year at Our Lady of Grace School. It represents the combined efforts of the Gala Committee, as well as most of our parents and teachers. Through donations of time, services, and gifts, we all work together to make this evening so special. The decorations, the live and silent auctions, the lecture party and dinner, the entertainment.....all represent an incredible amount of work. We are all willing to make this commitment because our kids come first at Our Lady of Grace School.

At OLG, we are committed to providing an outstanding, Catholic education for the children of this parish, as well as those parishes that are unable to provide a Catholic school. We know how important it is that faith is more than a Sunday obligation, and we want to surround our children with those who share this belief. We begin and end our day with prayer, have daily prayer circles, teach our Catholic beliefs in religion class, and provide many opportunities each week for worship. Children learn what it means to be a Christian through direct instruction as well as through the enhanced religious environment. As they grow and mature and begin to look for their place in the world, they will never forget that they are God's children and this relationship comes first.

Offering a catholic, religious education is a huge commitment of love from the parish. It is also expensive. In order to make this school available to as many children as possible, we need your support this evening. Please prayerfully consider the donation that you can make as an individual or as a family.

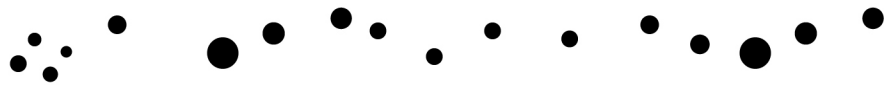

Enjoy your evening. We look forward to providing you with a wonderful evening of entertainment.

In Christ's Name,

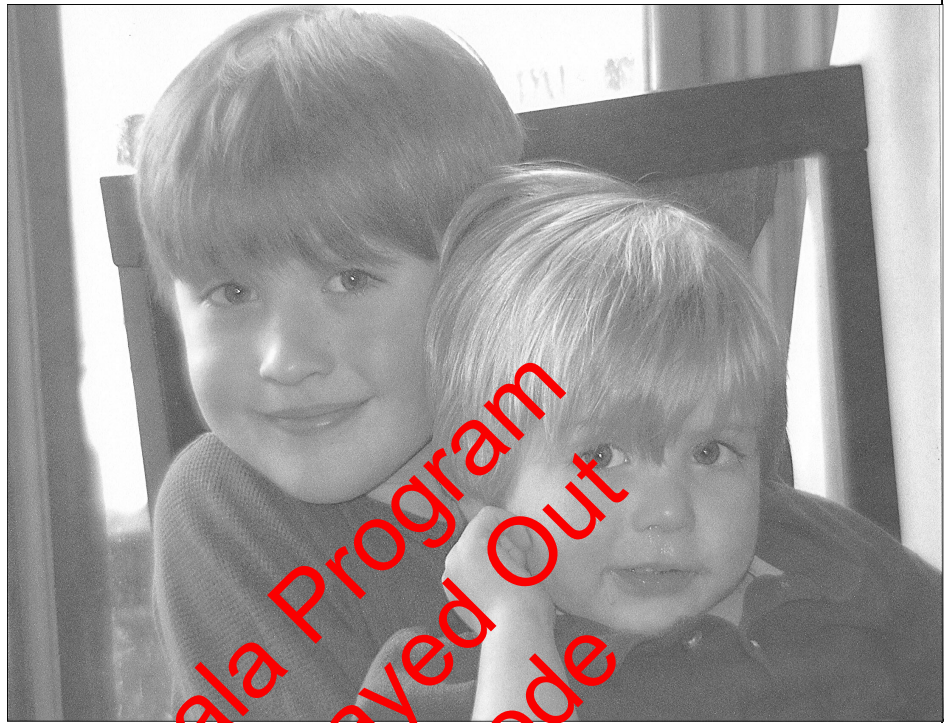

Maureen Clerkin  
Principal

April 19, 2008

Dear Families and Friends,

We welcome you to Grace Gala, "The Art of Celebration"! Tonight we come together to celebrate the sixth annual PTO Grace Gala for Our Lady of Grace Catholic School. It is through the generosity of our many sponsors, families and friends that this event is possible. Thank you to all of our sponsors.

Heartfelt gratitude is extended to all those businesses in the Noblesville as well as greater Hamilton and Marion Counties who donated to this event. To those families and friends who donated, your generosity and support has exceeded all expectations. The students, staff and committee thank you.

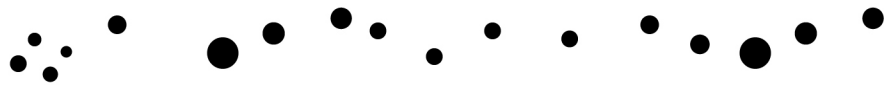

I am truly amazed at the talent that there is amongst the families of our school. Through countless hours of volunteering, hard work, dedication, imagination and vision, the Grace Gala Committee has planned an unforgettable night! A huge thank you goes out to all of those who selflessly gave of their time and their families that supported them in doing so!

Over the past five years, Grace Gala has provided funding for an amazing list of items and has had a profound impact on the quality of curriculum and facilities for OLG. To name just a few: Media Center books and publications, playground equipment, technology for students and staff, gymnasium bleachers, the science laboratory, classroom furniture, music and fine art supplies, a Special Needs/Resources program, school enrichment programs, and tuition assistance. Our school is still relatively new, so we still have room to grow! With an increasing student body and need for more books, computers, art, music, physical education, sports and classroom supplies, this event fulfills a great need for our school families and staff to make OLG the best it can be!

This is a night of celebration! Let us not forget to give thanks!

Blessed are You, loving Father,  
For all your gifts to us.  
Blessed are You for giving us family and friends  
To be with us in times of joy and sorrow,  
To help us in days of need,  
And to rejoice with us in moments of celebration.  
Father,  
We praise You for Your Son Jesus,  
Who knew the happiness of family and friends,  
And in the love of Your Holy Spirit.  
Blessed are you forever and ever. Amen.

*Peace and Love, Shannon N. Rogers, Event Chair*
