UMRA...

Live Action Racing

By Matthew Davis

Another season of The United Midget Racing Association is in the record books! Being a rookie announcer with The UMRA a good deal of new names and faces had to be remembered. Also, rules and regulations had to be memorized. Inside jokes and stories of past seasons had to be understood. Summing up this season can be defined as a ride on a roller coaster. The season had its ups and downs, turns, twists, laughs and screams. People often would ask what is it like to be part of The UMRA, and the answer would simply be "No two races are the same." The biggest impression of The UMRA is the dedication people contribute towards the organization. The staff of The UMRA dedicated time away from families to keep The UMRA running smoothly. Racers and mechanics spent hours, and a great deal of money to fix and improve their TQ Midgets. This dedication by all parties proves that people love The UMRA.

The season was kicked off at The Decatur County Fair Grounds for The King of The TQ's. Nick Speidel and his #21 TQ took home the first

checkered flag of the year in April. This race proved all racers were pleased to be back on the track doing what they do best and that is racing. Montpelier Speedway was the location of the first race in May. Dominating all 25 laps of the feature race was veteran racer Terry Goff taking home his first feature win of the 2012 season. The only racer that came close to catching Terry on the quarter mile dirt track was his son Jason Goff and his #96 TQ Midget.

The next races in May took The UMRA to The Rush County Fair Grounds in Rushville, Indiana. Eric Fehrman of Goff Racing recorded the fastest lap time of 12.626, and gave him great confidence for the night. But, it was teammate Jason Goff who took home the first trophy of the night. Another big star of the night was Rookie Tristan Maggart. This young driver at 15 years old showed much class as he took home two trophies. This young man is going to be a huge star in The UMRA as he improves year by year. In the Feature Race 18 drivers started, but only 12 would finish. Pole Position was held by Nick Speidel, and 27 year

old commanded all 25 laps to bring home his second feature win of 2012. Terry Goff was close to passing Speidel, but lost control on Lap 18 in turn two. Robbie Roland kept his car under control to take home a second place finish.

On May 19, 2012 The UMRA was welcomed back to The Rush County Fair Grounds for a beautiful night of racing. The UMRA gave away two new bicycles to a lucky boy and girl, one fan went home with free Indianapolis 500 tickets, and another fan took home a brand new flat screen television set. The dirt track was in great shape, and Jason Goff was the fastest man on that track during qualifying action. Tristan Maggart still had adrenaline from the previous night, and took home the first place finish in the Trophy Dash. Three Heat Races were held this night Jason Goff, Rookie Chaz Vanosdol, and Terry Goff all took home Heat Race trophies. In the Feature Race, Scott Petry had the Pole Position driving the #35 TQ Midget. After 25 laps of hard racing Petry scored himself a victory. This was the first time Petry had been in a TQ Midget all year! Jason Goff finished in second place, while his dad Terry finished in third in Rushville.

At the beginning of June the UMRA was back at the Montpelier Speedway, and this race was one for the record books. Jason Goff blew his engine during the Heat Race, and he thought his night was over. The big shock of the night was when Terry

Goff let Jason take command of his #15 TQ Midget. Nick Speidel had the Pole, and was commanding this race. At the half way point Goff had fought his way to fifth after starting in last place. Goff was battling for top positions with Eric Fehrman, Ron Hamm, and Chris Mann. With two laps to go all eyes were on Speidel to take home another Feature win of the 2012 Season. Goff was neck and neck with Mann for the second place position. Then all the sudden Speidel on the last lap lost all power in his car and came to a slow stop. Jason Goff crossed the finish line first after starting last! It was a proud moment in victory lane as Goff was presented the Feature trophy with his father at his side. Moving onto the asphalt at Mt. Lawn Speedway, it was all about Terry Goff. Goff dominates at this

with each other. Eric Fehrman had the pole and cruised to a victory at Kokomo Speedway. Robbie Roland finished a respectable second place, and Trent Henderson finishing in third place.

The UMRA went back to Mt. Lawn Speedway for the next two races, and these two were almost carbon copies of each other. Both races on the fastest three quarter mile asphalt track were dominated by Terry Goff taking home two Feature Race trophies. Jason Goff added to his points by taking home a second and third place finish. Eric Fehrman also recorded a second and third place finish on the asphalt.

Heading back to Montpelier Speedway Jason Goff kept turning smoothly. At this point in the season Goff was still The UMRA points leader, and he understood the possibility of taking home his first UMRA Championship Driver Title. He kept his #96 TQ Midget out of trouble and out of the pits to take home his second Feature Victory at Montpelier of the 2012 season. This victory boosted the driver's confidence, but he still had a few more races left on the schedule.

Heading back to Mt. Lawn for the fifth time this season Terry Goff, Eric Fehrman, and Kevin Blue all recorded outstanding qualifying times. The Feature Race had nine drivers all fighting for the checkered flag. Things came to a red flag halt in Lap #5. Trent Henderson and Eric Fehrman battling for the lead got twisted and Henderson flipped his #35 TQ Midget. Jason Goff took the lead, but by Lap #9 Terry Goff was right behind him. It was a great battle for a few laps, but by Lap #15 the elder Goff took the lead and did not look back once. It was a victory improving his already impressive UMRA resume. Jason was able to fight off Kevin Blue for the second place finish. Ron Hamm also ran a solid race taking home a fourth place finish at Mt. Lawn.

The last race of August was Fan Appreciation Night at Mt. Lawn. The fans at Mt. Lawn had a rare opportunity to see three vintage TQ Midgets out on the asphalt for a few laps. It was a chance to see how far The UMRA has evolved from the 1950's to present day. The Feature Race proved to be a heart stopper when on the first lap Terry Goff,

track and he knows it! He was the fastest qualifier with a lap time of 16.256. He was top finisher for the Dash for Cash, first place in the first Heat Race, but could not finish the Feature Race due to car troubles. This gave the opportunity for other racers to show their skills on the asphalt. Top three finishers for the Feature Race was all Team Goff. Eric Fehrman took home a feature win, Jason Goff recorded a second place finish, and Scott Petry was back in the #35 to get a third place finish.

The smell of fair food was in the air when The UMRA was back at The Rush County Fair Grounds. Jason Goff once again posted the fastest time here with a 12.688, and the honor of carrying The American Flag during the National Anthem. This night brought a few yellow flags and even a red flag when Chad Rouse collided with Trent Henderson when he lost a tire on the back stretch. Nick Spidder remained calm during all the action and walked away with another victory and trophy of the 2012 season. Eric Fehrman started in row seven finishing in second place. Tristan Maggart ran a great race and the rookie finished in third place.

The first race of July was at the Kokomo Speedway, and was almost a repeat of an earlier race in the season. Jason Goff suffered rear end damage and his #96 TQ could not continue at Kokomo. It was Terry Goff once again letting Jason take control of his #15 TQ in the Feature Race. It was on Lap #3 that Jason and Doug Sininger both went to the pits when they got tangled

Johnny Goff, and Trent Henderson were involved in a tangle fighting for advancement. Terry Goff sent his car flying over the concrete barricade through the fence between turns one and two. Prayers were answered when all drivers walked away from the wreckage. Surprisingly, all drivers would be back for the restart. Kevin Blue would not last long on the restart when the infamous turn four took him out of the race. Terry Goff would leave the race early when his car had to be hooked and taken to the pits. This left Eric Fehrman, Jason Goff, and Ron Hamm fighting for one, two and three. Fehrman held off the pack to take his second victory this year at Mt. Lawn Speedway. Jason Goff finished second and Ron Hamm in third.

The last race at Mt. Lawn Speedway was the first race in September. Kevin Blue had the fastest qualifying time with his #4 TQ Midget. Jason Goff was close behind with the second fastest lap time. Seven racers were on hand tonight and put on a great show for the fans. In the Feature Race it was a new Goff of 2012 taking home the trophy on the asphalt track. He was getting closer and closer to taking home The UMRA Title.

On a cool October evening at the Anderson Speedway Kevin Blue shocked The UMRA. He recorded a lap time of 17.894. He had been improving week by week, but it was a little too late because the season was coming to a quick end. Terry Goff tried his best to beat that time, but could only record a time of 17.517. However, in the third lap of the Feature Race Terry Goff passed Kevin Blue for the lead. Tristan Maggart tried to hold on to his third place position, but had Oogie Goff and Jason Goff right on his tail. Trouble hit Jason Goff in Lap #11 when he blew his second engine of the 2012 season. Terry Goff with each lap pulled further and further away from the rest of The UMRA racers. In Lap #18 the Rookie Maggart passed Oogie Goff for a third place finish, while Kevin Blue held off for a second place finish. At the end of 25 Laps Terry Goff ended up in victory lane for his fifth feature victory of the 2012 season.

The last and final race of the 2012 UMRA Season was held at the Kokomo Speedway for The Kokomo Clash. Jason Goff at this point had pretty much locked his spot in the UMRA History books with his first ever UMRA Championship Victory. The night brought out 18 UMRA drivers fighting for one last victory. In the first Heat Race it was all Eric Fehrman and his #19 TQ Midget taking home one final victory. Dennis Atchley was the winner in the second Heat Race. The final Feature Race was an exciting 25 Lap race on the dirt track. Doug Sininger called it a season as he pulled into the infield on Lap #3. Nick Speidel was back for a final race, and started the race holding tight to the Pole Position. Nobody could catch Speidel as he extended his lead with every lap he took at Kokomo. Dustin Wheldon was hanging close behind running in second place, but could not catch Speidel. Ron Hamm could not finish the race as he pulled into the pits at the halfway point. Robbie Roland, Eric Fehrman, Kevin Blue and Jason Goff put on a great show fighting most of the night for third and fourth positions. Fehrman pulled into the pits with five laps to go in the race. No worries to him because he secured his owner Oogie Goff with the top car of the 2012 UMRA Season. At one point Robbie Roland passed Wheldon briefly for second place, but could not hold on to that position. When the white flag was out Speidel was too far ahead, he finished the final race with a first place victory. Dustin Wheldon held onto a second place finish. Robbie Roland was third, Kevin Blue fourth, and Jason Goff fought from the back to the lineup to score a fifth place finish at the Kokomo Speedway.

After the adding all the points of 2012 there is a new Goff to add the record books of The UMRA, and that is Jason Goff. He was able to run a smooth 2012 season and secure his title as 2012 UMRA Champion Driver. This can only boost the young man's confidence behind the wheel of the TQ Midget. One thing is for sure TQ Midget racing is in his blood. Jason loves to drive fast and give the fans live action racing!
